

## Accommodation & Travel Information

### Accommodation

During the summer months, especially at Easter and the May bank holidays, hotels across Dorset and particularly in the local Purbeck area become very busy with tourists. Consequently, room rates and availability vary significantly throughout the year.

Visitors to our offices are strongly advised to confirm hotel arrangements at the earliest opportunity.

Special dietary and cultural requirements should be checked with the hotel prior to making a reservation.

### Travel Information

Visitors arriving by air at one of the London airports: Heathrow; Gatwick, or more regionally at Southampton airport, may wish to consider completing the journey by rail. Our offices are on a main South West Trains route (SWT), [click for SWT rail timetable](#).

Travellers are advised to seek assistance concerning timetables, ticket prices and possible train changes prior to travel.

The London Waterloo railway station has a direct connection to Wareham railway station. Our office is a five minute walk from the station.

“Express” or “Intercity” trains stop at Wareham railway station and terminate at Weymouth, located 30kms from Wareham.
